

Round 6: Ch 6, (tr into next dc, ch 3) rep to end of round, join.

Work remainder of bag in spirals with no starting chain at beg of rounds.

Round 7: (Ch 3, tr into next ch loop) rep until bag is desired depth (sample bag is 15" long from start of netting).

Work remainder of bag in spirals, repeating round 7 with no starting chain at beg of rounds.

Finishing

Sc all ch and tr sts from last round, sc two more rounds, FO—do not break yarn!

Handles

To Start: With attached yarn, ch 72 sts, join to st 1/4 around circumference of bag top with a sl st, turn.

Row 1: Sc into top edge of bag, then sc into each ch along handle edge to ch 30, 1 dc into each next 12 ch st, 1 sc into each ch along rim sts in handle

to starting point, attach to point next to first ch with sl st, turn.

Row 2: Repeat row 1, then work 1 more row with no dc sts, working those sts in sc.

Row 3: 1 sc in each st along handle, sl st to top edge of bag and sl st around 1/4 along top of bag.

Rep rows 1–3 for second handle. FO.

Attached Bag Case

To Start: Turn bag inside out. At edge where netting begins at bottom of bag, sc 48 sts into existing 48 dc.

Round 1: 1 dc into each sc.

Rounds 2 & 3: Rep round 1.

Round 4: (1 sc into next dc, sk 1 dc) rep to end of round, FO—24 sts.

When bag is turned inside out, tuck it into the little case attached to the inside bottom of the bag!
